Safeguarding Children, Young People and Vulnerable Adults

The Parochial Church Council of Holy Trinity Huddersfield Parish Church has a Policy for Safeguarding Children, Young People and Vulnerable Adults. This is available on request or available on-line at <https://goo.gl/JF1AP4>

All hire agreements are conditional upon hirers complying with it unless they already have an equivalent policy of their own seen and approved by the Council's Safeguarding Officer.

Hirers are required to ensure that children, young people and vulnerable adults are protected at all times, by taking all reasonable steps to prevent injury, illness, loss or damage occurring; and to carry full liability insurance for this.

In particular this means that:

- hirers will comply with the attached good practice guide with children and young people or vulnerable adults unless they already have an equivalent;
- hirers will provide the church with a copy of their organisation's Safeguarding Policy/ies or if they do not have one adopt the current parish policy;
- hirers will recruit safely all current paid and voluntary workers who work with children and/or vulnerable adults, by obtaining satisfactory disclosures from the Disclosure and Barring Service where eligible, and keeping records of dates and disclosure numbers indefinitely;
- hirers will keep a list of the names of all paid and voluntary workers with regular and direct contact with children/vulnerable adults, and update it annually;
- hirers will always have at least two leaders over the age of 18 years in any group of children and young people, no matter how small the group;
- no person under the age of 18 years will be left in charge of any children or young people of any age;
- no child or group of children or young people should be left unattended at any time;
- a register of children, young people or vulnerable adults attending the activity will be kept securely. This will include details of their name, contact details of parent/guardian/carer etc., date of birth and next of kin;
- hirers will immediately (within 24 hours) inform the Parish Safeguarding Officer of:
 - a) the occurrence of any incidents or allegations of abuse or causes of concern relating to members or leaders of their organisation, and contact details for the person in their organisation who is dealing with it
 - b) any known offenders against children or vulnerable adults seeking to join the hirers membership, and manage such allegations or agreements with offenders in co-operation with statutory agencies, and with the church.
